

'SPARE TIME' MONEY-MAKERS!

While your bowlers are waiting for their lanes, and before or after regular play, you can make extra profits with coin-operated amusements. They're fun for your customers and make money for you.

Midway GORF is a unique, new, sensational 1 or 2 player, full color video game—that TALKS! It's a sight and sound adventure that attracts players with a multi-mission space challenge. GORF can be played for a single coin or two coins at the option of players. It really "devours coins."

GORF is available in three models:

- **STANDARD ARCADE**—For your regular game room or aisles.
- **MINI-MYTES™**—A space-saving unit for locations with limited areas.
- **COCKTAIL TABLE Style**—Ideal for your bar and lounge areas.

Find out how you can have these full time profit producers. Contact your operator for further details.
